

THE 5 LAWS OF SOVHO

First Law of Chaos
The truth is different for everyone

Second Law of Chaos
Each one must sin and therefore deserves attack and death

Third Law of Chaos
God must accept his Son's belief in what he is and hate him for it

Fourth Law of Chaos
I have what I take

5. I choose my special relationship

1. Some illusions are true, some not. Those who value different illusions are my enemy

2. These sinners must be punished with death

3. God must support me in my role even if he hates me

4. Your loss is my gain

over God's love.
