

Spirit: Thought of God, which he created like himself.

CREATION CONTINUES UNABATED

Mind: Activating agent of spirit.

The only remaining choice is between the thought systems of the ego or holy spirit

SPIRIT - THOUGHT OF GOD

GOD

UNAWARE OF THE EGO'S 'WORLD'

HOLY SPIRIT
(MIND) ACTIVATING AGENT OF SPIRIT

The self-contained universe serves as the ego's substitute for God's creation, projecting sin, justifying anger, guilt, disease, and death, in an attempt to prove it 'real'.

SEPARATION / DISSOCIATION

UNCONSCIOUS GUILT

EGO

Right-mindedness: Listens to the Holy Spirit, forgives the world, and through Christ's vision sees the real world in its place as the final illusion.

Wrong-mindedness: Listens to the ego and projects a universe of bodies and illusions to escape from the largely unconscious guilt of separation.
